

"A really rowdy group of students became totally silent listening to Buddy's story." - Elaine Howery, volunteer

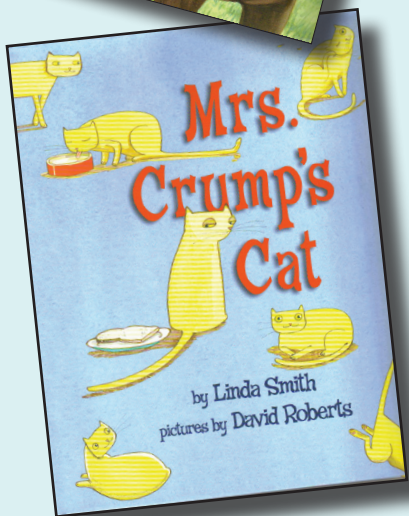

"What a difference you women are making in the world! Your training was fantastic. I learned so much and am so appreciative of the Discussion Guides and Internet Resources you've created to help me do my job well." - Patrice Ryan, volunteer

Promote **EMPATHY, COMPASSION** and **CRITICAL THINKING** through stories and discussion!

"I had such a great time reading this morning! After reading the students concluded the session by drawing a picture of Lucky Boy. I was thrilled to see how receptive they were to the story and the concept of needing one another. It gives me some hope for our future animal owners." - Whitney Best, volunteer

Join us in educating children.
Together we can create a more
compassionate future!
